OUR VALUES

Integrity: We have the courage to do what's right, even when it's hard. We do what we say and treat each other fairly and with respect by being open, truthful and honest in all of our business dealings.

Courageous Leadership: Courageous and effective leaders provide clear purpose, process, resources and promote accountability. They are responsible, passionate, determined risk-takers. They respond positively to challenges, turn threats into opportunities and exhibit professionalism at all times.

Teamwork: We are committed to promoting teamwork in every workplace. The members of each team should ideally be Humble (they lack excessive ego, promoting the team), Hungry (passionate, self-motivated and diligent) and Smart (displaying emotional intelligence, good judgement and intuition).

Success: Achievement of goals/results despite barriers with continued monitoring of performance and standards, and being prepared to make challenging business and people decisions. Success is the progressive realisation of a worthy ideal.

Community Impact: We mobilise our supporters and partner with others to promote and demonstrate the benefits behind our cause in tangible ways to make a real difference in the communities we serve.
